**CORRIGENDUM No. 4: AMENDMENT IN SECTION 1 (BID BOND), SECTION 9.9.
50 MW Solar Project at Winder and 100 MW Solar at Bela, Balochistan**

KE had invited bids/proposals from the investors for the development of the subject project through advertisement made on April 2, 2024.

This corrigendum is to notify an amendment in RFP of subject project related to;

- 1) **Section 1 (Definition of Bid Bond) & Exhibit 8 – Form of Bid Bond**
- 2) **Section 9.9. Bid Validity**

1. Amendment in Section 1

An unconditional, irrevocable, on demand bank guarantee issued in favor of K-Electric Limited pursuant to Section 9.6 of this RFP, by at least an "AA" rated scheduled bank operating in Pakistan which is acceptable to K-Electric, valid for a period of at least twelve (12) months from the Deadline in the format and language as provided in Exhibit 8.

Has now been revised as;

*“An unconditional, irrevocable, on demand bank guarantee issued in favor of K-Electric Limited pursuant to Section 9.6 of this RFP, by at least an "AA" rated scheduled bank operating in Pakistan which is acceptable to K-Electric, valid for a period of at least **eight (08) months** from the Deadline in the format and language as provided in Exhibit 8.”*

2. Amendment in Section 9.9

The earlier mentioned section stated that “The Bidders shall provide the validity period of their bids for **12 months** from Bid submission deadline.”

Has now been revised as;

*“The Bidders shall provide the validity period of their bids for **08 months** from Bid submission deadline.”*
