

TENDER NOTICE

K-Electric (KE) has powered Karachi for over one hundred years. Through a network spanning across 6,500 square kilometers, KE supplies power to all residential, commercial, industrial and agricultural areas that fall under the city's ambit and beyond, serving over 2.5 million customers across Karachi, Dhabeji and Gharo in Sindh, and Uthal, Vinder and Bela in Balochistan.

KE is the only vertically-integrated power utility in Pakistan, which means the organization manages all three key areas – Generation, Transmission and Distribution – of producing and delivering energy to consumers, invites tenders for hiring of vehicles as per details given below
